Committee Reports:

Membership: Shelley has updated the master list for anyone who has not received one lately. Will not print a final copy until after August meeting to make sure all members have updated their information. A new inquiry about the group was requested and Shelley sent information after they saw posting in a local paper. Discussion on meeting schedule and taking summer off deferred until next meeting.

Events: Ellen has investigated the feasibility and cost of changing our web page name and the URL: www.RochesterCORE.org is available. There is a minimal cost to purchase the URL and discussion on how we would pay for it. Micheline to send a letter to the membership on options to purchase.

Programs: Suggestion for the November meeting to have someone talk about Rochester's Legacy Project was agreed upon by all. Micheline to pursue asking Jim Kennedy to follow-up.
